

La Delizia
Limbara

Vino Rosso

House Red "Madregale"

£ 18.90

pale cranberry red colour attractive nose of dried cherries and tea-rose, fresh and lovely in the mouth with good acidity and pleasant herbal edge.

Pinot Nero

£ 29.95

Trentino Italian Grape: 100% Pinot Nero

Wine with ruby red colour, with flecks of garnet. It presents a bouquet of ripe fruits such as wild cherries and strawberries, black currant, flowery hint of violet. The wine is more and more enriched by scent of spices, balanced by a pleasant and fruity taste.

Dosset Rosso

£ 32.95

Piemonte, Italian Grapes: 100% Dolcetto

Dossetto is Piemontese for Dolcetto, this wine red is ridiculously drinkable, refreshing low alcohol red is not a simple thing nowadays to make a light wine that also taste ripe, Recommend: with Pasta dishes with tomato sauces, fried fish, meat stew

Morellino Di Scansano D.O.C.G

£ 34.50

Toscana, Italian Grapes: 85% Sangiovese, 15% Ciliegiolo, colorino, alicante, Sirah

Colour intense red ruby, the bouquet is characterized by key note of ripe fruit.

On the mouth it delivers body roundness and freshness. Morellino represent all features of Maremma character impetuous, thought colour in aroma and in body just like its territory origin

Valpolicella D.O.C Superiore

£ 36.95

Veneto, Italian Grape: Corvino 40% Corvinone 30% Rondinella 30% Molinara 10%

This is a joy to drink, it is supple, honest style with incredibly pure cherry fruit and despite being light-bodied, when aerated for a while, this show surprising depth

Sassabruna D.O.C

£ 39.95

Maremma Toscana, Italian Grapes: 80% Sangiovese, 10% Merlot, 10% Syraha.

Deep ruby in colour, expressive, generous nose opening up to jammy blackberry and herbs with a mineral touch. Fresh, well-balanced palate with well-integrate tannins capped off with a peppery note.

Barolo DOCg

£ 65.00

Piemonte Italian, Grapes: 100% Nebbiolo

A charming expression of black fruit, tobacco, and leather, with spices in the background. Soft, forward, and well-focussed, with floral notes, ripe tannins, and animal tones
